

Chaand taare phool shabnam
Tum se achcha kaun hain
Chaand taare phool shabnam
Tum se achcha kaun hain
Koyi rut ho koyi mausam
Tum se achcha kaun hain
Chaand taare phool shabnam
Tum se achcha kaun hain

Pyaar se mukhde ko aake
Chumti hai chaandni
Saari duniya mein hai bihkri
Bas tumhaari roshni
Aisa koyi bhi nahin oh
Meri nazar mein haseen
Mera dil kehta hai jaanam
Tum se achcha kaun hain
Mera dil kehta hai jaanam
Tum se achcha kaun hain

Jo khuli zulfein tumhari
Din mein kaali raat ho
Tum zara aanchal uda do
Dhoop mein barsaat ho
Saagar ki pyaasi leher oh
Jume tumhe dekhkar
Saari duniya saara aalam
Tum se achcha kaun hain
Saari duniya saara aalam
Tum se achcha kaun hain
Koyi rut ho koyi mausam
Tum se achcha kaun hain
Chaand taare phool shabnam
Tum se achcha kaun hain
Oh tum se achcha kaun hain.
