

Kuchh hai tumse kehana, magar shabd anjaan hai
Yeh sidha sa sach hai, ho gayi hai mohabbat
Yeh dil phir bhi naadaan hai
Harsu mein betaabi, bas sapano mein abb jaan hai
Suljhi si yeh uljhan saamane raasta hai
Kadam hai ki badhate nahi, kaise kahein
Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere
Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere

Tumako milane se pehale bhi bheege the hum
Par iss baar bheega hai mann
Kitane saawan hai dekhe pas iss baar dekho khubsurat hai itana jahaan
Saaz ho tum, geet ho tum mera, dhun ho aisi jo gaata rahu
Dheemi si aanch ho tum saundh mitti ki khushbu madhosh ehsaas ho
Kaise kahein tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere
Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere

Ikraar karni thi do baatein
Ban jaa saathi mere
Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere
Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere

Tumse yeh ikraar karne thi do baatein
Ik toh kuchh aisa hai achchhe tum lagate ho
Duji gujaarish hai ban jaa saathi mere.
