

Tumse kahen ya hum na kahe  
Bahki hui kyuon hai ye dhakane  
Hatho me yun to haath hai  
Lekin dil me jo baat hai  
Tumse kahen ya hum na kahe  
Tumse kahen ya hum na kahe

Ye raat chand raat tum jo hote saath  
Teeno ghumte raat me  
Tum,chand aur me, in rahoon me  
Aur chalte chalte hum teeno gate geet koi

Har su ho jaise tum,me to hoon jaise gum  
Aankhon me ghul gaya ye sapna  
Chahe dekhun kahi chaho sochun kabhi  
Yaadoen ke rango se jaise jidagi  
Tumse kahen ya hum na kahe  
Dil kehta hai aise hi rahe  
Mehke lamhat saare lekin jaiyat saare  
Tumse kahen ya hum na kahe  
Tumse kahen ya hum na kahe

Gunji hai har disha gaa rahi hai ye fiza  
Sun raha hai jise ye gagan

A gayi tum karib jag utha hai naseeb  
Hoon me anjani na jani kya kehti hai dhadkan  
Tumse kahen ya hum na kahe  
Aarzoo kaise is dil me hai  
Kaise ye arma hai,do dil kyon heraain hai  
Tumse kahen ya hum na kahe.
