

Tumase kahuun ik baat
Paron si halki halki
Raat meri hai chhanv
Tumhaare hi aanchal ki
Tumase kahuun ik baat
Paron si halki halki halki halki

Soi galiyaan bahpas
Pasaare aankhen miche
Soi galiyaan bahpas
Pasaare aankhen miche
Main duniyaa se dur
Ghani palakon ke niche
Dekhuun chalate kwaab
Lakiron par kaajal ki
Tumase kahuun ik baat
Paron si halki halki halki halki

Dhundhal dhundhali
Rain milan kaa bistar jaise
Dhundhal dhundhali
Rain milan kaa bistar jaise
Khulataa chhupataa

Chaand sej ke upar jaise
Chalati phirati khaat
Hawaaon par baadal ki
Tumase kahuun ik baat
Paron si halki halki halki halki

Hai bhigaa saa jism
Tumhara in haathon men
Hai bhigaa saa jism
Tumhara in haathon men
Baahar nind bharaa
Panchhi bhigi shaakhn me
Aur barakhaa ki bund
Badan se dhalki dhalki
Tumase kahuun ik
Baat paron si halki halki
