

Tum se kya kehna hai,  
Suno tum se kya ab sunna  
Chorr diya ab chandni  
Rat mein maine sapne bunna  
Mai apni tanhai se ab sab keh leta hu  
Tum bolo na bolo, tum bolo na bolo  
Tum bolo na bolo, tum bolo na bolo, na bolo...  
Tum bolo na bolo, na bolo...

Rat ko jab chand puche  
Ga wo kesi lag rahi thi  
Chand se kah dunga,  
Mujh ko tere jesi lag rahi thi  
Us me bhi ek dag nikla  
Tu bhi to ghat ta hai, barhta hai  
Der sawer se chadta hai  
Tera sona kab khara tha  
Sirf asharfi ki tarah tha  
Jab tum milo, kahna use, zaruri nahi hai  
Tum bolo na bolo, tum bolo  
Tum bolo na bolo, na bolo, na bolo...

Meri aadat me nahi hai  
Koi rishta tod dena  
Meri shayar ne kaha tha,  
Mod de kar chod dena  
Ajnabi phir ajnabi hai  
Gehne bohot pehno ge  
Yaad ka zewar naya hai  
Dard jo ghulte nahi hai  
Rang wo dhulte nahi hai  
Sare giley baaqi rahae, magar yaad hai  
Tum bolo na bolo  
Tum bolo na bolo

Tum se kya kehna hai,  
Suno tum se kya ab sunna  
Chod diya ab chandni  
Rat mein main ne sapne bunna  
Mai apni tanhai se ab sab keh leta hu

Tum bolo na bolo, tum bolo na bolo  
Tum bolo na bolo, na bolo
