

Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Mehbuba janab ki
Tun tun tun tu tun sun sun sun
Main hu botal sarab ki
Tun tun tun tu tun sun sun sun
Mehbuba janab ki
Main hu botal sarab ki
Meri aankhon se pee
Pee pee ke tu ji
Meri aankho se pee
Pee pee ke tu ji
Jaam yeh ulfat pila ke
Tujhe jaam kar dung
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun

Behke kadam maza aane laga
Lo bin peeye nasha chhane laga
Behke kadam maza aane laga
Lo bin peeye nasha chhane laga
Bekhudi ko badha ke
Bekhudi ko badha ke
Tujhe chan kar dung
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Mehbuba janab ki
Main hu botal sarab ki

Anguri chad ke utar jayegi
Pyasi tujhe roz tadpayegi
Anguri chad ke utar jayegi
Pyasi tujhe roz tadpayegi
Pyas dil ki bhujha ke
Pyas dil ki bhujha ke
Tujhe chan kar dung
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Mehbuba janab ki
Main hu botal sarab ki

Jhutha nasha iss paani mein hai
Asli maza to jawani mein hai
Jhutha nasha iss paani mein hai
Asli maza to jawani mein hai
Apne lab se laga ke
Apne lab se laga ke
Tujhe chan kar dunggi
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Mehbuba janab ki
Tun tun tun tu tun sun sun sun
Main hu botal sarab ki
Tun tun tun tu tun sun sun sun
Meri aankhon se pee
Pee pee ke tu ji
Meri aankho se pee
Pee pee ke tu ji
Jaam yeh ulfat pila ke
Tujhe chan kar dunggi
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun
Tun tun tun tu tun sun sun sun.
