

Tun tuna tun tuna tun tuna tun tuna
Tun tuna tun tuna tun tuna tun tuna
Bole mann ek taara re
Tun tuna tun tuna tun tuna tun tuna
Tun tuna tun tuna tun tuna tun tuna
Bole mann ek taara re
Prem ki boli ni amma prem ki boli
Dil ki kholi kab se khaali mere hum jholi
Dil ki kholi re ni amma dil ki kholi re
Ho maan le ke tu mera
Kahaan jaata hai pataa
Are mere dil ko tune apni jeb mein dala re
Tun tuna tun tuna tun tuna tun tuna
Tun tuna tun tuna tun tuna tun tuna
Bole mann ek taara re
Prem ki boli ni amma prem ki boli
Dil ki kholi kab se khaali mere hum jholi
Dil ki kholi re ni amma dil ki kholi re

Sita ram jai ram jai jai jai ram
Sita ram jai ram jai jai jai ram
Sita ram jai ram jai jai jai ram
Sita ram jai ram jai jai jai ram

Ho sachi yaari duniya mein
Kahaan milati hain ji kahaan milti hai
Ek paiyye se gaadi
Kahaan chalti hain kahaan chalti hain
Ek jyotiske bola thaa tu mera baalam hoga
Likh meri baat ke tera mera sangam hoga re

Chale na bahane tere piche mat ana mere
De dunga ek laafa re oye
