

Tune bechain itana zyada kiya
Tune bechain itana zyada kiya
Main tera ho gaya maine waada kiya
Dil ne majbur itana zyada kiya
Dil ne majbur itana zyada kiya
Main teri ho gayi maine waada kiya
Tune bechain itana zyada kiya
Hoo dil ne majbur itana zyada kiya

Lag raha hai mujhe tere sar ki kasam
Lag raha hai mujhe tere sar ki kasam
Apani paheli mohabbat nahin yeh sanam
Ha mile aur bichade kahi baar ham
Phir se milane ka hamane iraada kiya
Main teri ho gayi maine waada kiya
Tune bechain itana zyada kiya
Main tera ho gaya maine waada kiya

Raat dhalati nahin
Raat dhalati nahin din gujaraata nahin
Mera dil kab tujhe yaad karaata nahin
Aahe bharase jee mera bharaata nahin
Faisala maine yeh sidha sadha kiya
Main tera ho gaya maine waada kiya
Dil ne majbur itana zyada kiya
Main teri ho gayi maine waada kiya

Kaanch ki tune chudi balam tod di
Kaanch ki tune chudi balam tod di
Laaz ki sharm ki har kasam tod di
Laaz ki sharm ki har kasam tod di
Neend toh lut lee jan kyun chhod di

Main teri ho gayi maine waada kiya
Tune bechain itana zyada kiya
Main tera ho gaya maine waada kiya
Dil ne majbur itana zyada kiya
Main teri ho gayi maine waada kiya
Main tera ho gaya maine waada kiya

Main teri ho gayi maine waada kiya.
