

Sa re sa re sa re sa re sa....

Ma pa ma pa ma pa ma....

Tune chhua aisa laga, behake kadam armaan jaga
Tune chhua aisa laga, behake kadam armaan jaga
Zindagi ke diye jhilmilaane lage
Ishq ki dhup mein ha nahaane lage saathiya
Tune chhua aisa laga, behake kadam armaan jaga

Yeh chaand taare saare najaare, hai tere kadamo ki dhul
Tujhe dekhe toh sharmaaye phul jaane bahaar
Sapana dikhaake apana banaake, humko na jaana tu bhul
Hamein tera har gham hai kubul, jaane bahaar
Hum teri raah mein dil bichhane lage
Ishq ki dhup mein ha nahaane lage saathiya
Tune chhua aisa laga, behake kadam armaan jaga

Hai bheega mausam, khoye khoye hum
Mehaka mehaka sa badan, lagi mann ko teri hi lagan teri kasam
Baahon mein aa ja, saanson mein chha ja
Najare milaale sajan, sahi jaaye abb na yeh lagan teri kasam
Jaagati aankhon mein khaab bharane lage
Ishq ki dhup mein ha nahaane lage saathiya

Tune chhua aisa laga, behake kadam armaan jaga
Tune chhua aisa laga, behake kadam armaan jaga
Zindagi ke diye jhilmilaane lage
Ishq ki dhup mein ha nahaane lage saathiya.
