

Tune chhua jaane kya hua
Ke jal utha hai badan
Naa to aag hai na utha dhuaan
Phir bhi lagi hai agan

Tune chhua jaane kya hua
Ke jal utha hai badan
Naa to aag hai na utha dhuaan
Phir bhi lagi hai agan
Hotho pe tapas hai
Saanso mein sisakiya
Lamhon ki khawahishen
Ab tu samajh bhi jaa baras jaa
Mujhpe tu baras jaa
Har ghataa baras jaa

Barso se thi dil mein ek khaali thi jagaah
Tujhse milke roshan huyi duniya rehnuma
Barso se thi dil mein ek khaali thi jagaah
Tujhse milke roshan huyi duniya rehnuma
Jeene ki aarzoo tujhse mili mujhe
Dil mein baska main poojunga ab tujhe
Har tarha chahunga tujhe har tarha
Har ghata baras jaa

Ab to zindagi mein sirf tu hi khaash hai
Saagar se kya lena mujhko teri pyas hai
Ab to zindagi mein sirf tu hi khaash hai
Saagar se kya lena mujhko teri pyas hai
Aankhon mein aqsh tu dil mein junoon tera
Dekha tujhe sanam mujhse huaa judaah
Lag zara sine se tu lag zara
Har ghata baras jaa
Tune chhua jaane kya hua
Ke jal utha hai badan
Naa to aag hai na utha dhuaan
Phir bhi lagi hai agan
Hotho pe tapas hai
Saanso mein sisakiya
Lamhon ki khawahishen
