

Tune kaha jab se haan
Ye lab muskurane lage
Tune kaha jab se haan
Ye lab muskurane lage
Mujhme jagaye dil dhadakne laga
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage
Tune kaha jab se haan
Ye lab muskurane lage
Tune kaha jab se haan
Ye lab muskurane lage

Pal mein hasaya pal mein rulaya
Tu ne mujhe haai kitna sataya
Kuch sadmein the kuch doori thi
Kuch meri bhi majboori thi
Kaise guzri raatein
Kaise kate mere din
Tere hi liye bas

Zinda rahi tere bin
Kaise guzri raatein
Kaise kate mere din
Tere hi liye bas
Zinda rahi tere bin
Zinda raha tere bin
Mujhme jagaye dil dhadakne laga
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lagi
Tune kaha jab se haan
Ye lab muskurane lage
Tune kaha jab se haan
Ye lab muskurane lage

Rut yeh milan ki yeh purvaayi
Kitni dua ke baad hai aayi
Ek pal bhi na rahen akele
Aa ke mujhe tu baahon mein le le
Aa ke paas tere
Har dard jaanne laga

lyrics

Chu ke teri saasein
Mujhe chain aane laga
Aa ke paas tere har
Dard jaanne laga
Chu ke teri saasein
Mujhe chain aane laga
Mujhe chain aane laga
Mujhme jagaye dil dhadakne laga
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage
Tune kaha jab se haan
Ye lab muskurane lage
Tune kaha jab se haan
Ye lab muskurane lage
Mujhme jagaye dil dhadakne laga
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage.
