Twinkle, twinkle, little star, how i wonder what you are

Up above the world so high, ek bomb lagaana mangata hai bhai

Rang birangi holi aayi, rakt ke woh gubbare laayi

Dekho phir diwaali aayi, phir bhi andhera mita na paayi

Puri chhutti ka tauhaar, bambai ke bamb kashmir ke anaar

Jale huye sab yaaron ne aawaaz lagaayi

Chhota bachcha kaise mara tha, aake ke dudh mein jehar bhara tha

Kal ki raat ki kar lo baat , ghar nahin aaya mera baap

Post martam ki report aayi, ek bomb lagaana mangata hai bhai

Jinda rehana big problem, rupaiya hai thanda dollar garam

Mar jaaye chidiya buildings pe takraake

Maarengे woh mujhe mere ghar aake

Ek bomb lagaana mangata hai bhai.
