

Nadi mein talab hai  
Kahin jo agar, samandar kahan door hai  
Damakti garaz hai, sone mein agar  
To jalna bhi manzoor hai  
Ik udaan kab talak yun kaid rahegi  
Roko na chhod do isse  
Ik udaan hi sapno ko zindagi degi  
Sapno se jod do isse

Purani daleelon, rasmon ko sabhi  
Abhi se kahe alvida  
Badalte dino ke tareekon se  
Seechein hum naya gulistan  
Ik udaan kab talak yun kaid rahegi  
Roko na chhod do isse  
Ik udaan hi sapno ko zindagi degi
