

Akhon ke teer mere jigar ke,
Paar kar gayi,
Bhole sanam ke dhokhe se dil pe,
Waar kar gayi,
Jabse apni de ke gayi naram chuan tu,

Udan choo,
Hua hua mera chain udan choo,
Udan choo,
Rahein neendein sari rein udan choo,

Udan choo,
Hua hua mera chain udan choo,
Udan choo,
Rahein neendein sari rein udan choo,

Ishq ek tarfa jo udhaar kar gayi,
Tha main bada hi kaam ka bekaar kar gayi,
Apni dhun mein karke gayi mastmagan tu,

Udan choo,
Hua hua mera chain udan choo,
Udan choo,
Rahein neendein sari rein udan choo,

Dil hua malang hai mera,
Chadha jo rang hai tera,
Deewana dang hai tera,

Kya khuda ne fursat mein,
Banaya ang hai tera,
Deewana dang hai tera,

De milan ka mauka de haan,
Yun sajna ko dhokha de na,

Thode se din saath mein jo guzar kar gayi,
Mere nayan ke sapne beshumaar kar gayi,
Dheemi si jalti chod gayi aisi agan tu,

Udan choo,
