

Udata hoon aasman mein  
Beheka hoon iss jahaan mein  
Khoya hoon mai badalon main  
Mere pair hain zameen pe  
Aur sar pe hai khuda  
Keheta hoon mai sun zara

I wanna hold you close to my heart  
I wanna touch you never be apart  
I wanna lay right next to  
You and never feel blue  
I wanna feel the touch of your hand  
Wanna make luv to you in the sand  
Wanna feel the warmth of your breath  
Until death do us apart

Udata hoon aasman mein  
Beheka hoon iss jahaan mein  
Khoya hoon mai badalon main  
Mere pair hain zameen pe  
Aur sar pe hai khuda  
Keheta hoon mai sun zara

Kuch manzeelein  
Josh hai to manzilon ko  
Kadamon main laake bitha  
Keheta hoon mai  
Sun zara

I wanna lay right next  
To you and never feel blue  
I wanna feel the touch of your hand
