

Udte parindon ke
Sang isko bhi udne do
Neele neele baadal ka
Rang usko chhune do
Chhune do chhune do udne do
Udte parindon ke
Sang isko bhi udne do
Neele neele baadal ka
Rang usko chhune do
Duniya ke pinjare ka
Yeh bhi parinda hai
Yeh bhi to yeh bhi to
Allah ka bandaa hai
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do

Daal par jhoomate hai

Patto main jaan hai
Phoolo main kaliyo main
Malik ki saan hai
Chhune do chhune do udne do
Chhune do chhune do udne do
Aasma naam ka isne banaya hai
Iske hi noor ka ask insaan hai
Yeh ek aisa karangat main
Katara main jaise samandar
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do udne do

Mast hai yeh malang koi parwaa nahin
Yeh khula aasma iski bhi hai zameen
Chhune do chhune do udne do
Chhune do chhune do udne do
Ishq ki raaj guzar ka hai yeh humsafar
Jis jagah dil kare rukata hai bas wahin
Umr bhar jagaa na soya

lyrics

Yeh apni dhun main jo khoya

Udte parindon ke
Sang isko bhi udne do
Neele neele baadal ka
Rang usko chhune do
Duniya ke pinjare ka
Yeh bhi parinda hai
Yeh bhi to yeh bhi to
Allah ka bandaa hai
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do
Chhune do chhune do udne do.
