

Jogi nach le, rang raj de
Jogi nach le, rang raj de
Lehraake balkhaake tu duniya bhulaake naach
Dhun koyi gun gunaale gaale tu gaake naach
Ranginiyon mein kho ja, pike pilaake naach
Madbhare naino se tu naina milaake naach
Uff teri ada, i like the way you move

Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you
Uff teri ada, i like the way you move
Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you

Sun le saaheba, tu hai ik nasha
Hosh hai mera saara kho gaya

Hosh gawa deewaane hosh gawaake naach
Paas tu aa deewaane paas tu aake naach
Dil mein hai armaan jaane saare jagaake naach
Tan mein badan mein jaise aag lagaake naach
Uff teri ada, i like the way you move
Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you
Uff teri ada, i like the way you move
Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you

Dekhake bhi nahi ho yakin
Itani kyun hai bata tu haseen
Tere husn se jindagi haseen
Tere husn ke aage koyi haseen na kuchh bhi nahi
Aankhon mein mere saare sapane sajaake naach
Mujhako tu dil mein rakh le, dil ko dhadkaake naach
Pyaar agar hai mujhase pyaar jagaake naach
Jaan-o-dil hai jo tere mujhape lutaake naach
Uff teri ada, i like the way you move
Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you
Uff teri ada, i like the way you move

Uff tera badan, i like to see you groove
Uff teri najar, it says i wanna dance with you.
