

Uff ye bekarar dil kaha luta na puchhiye
Har nigah chor hai ji nam kiska lijiye
Uff uff ye bekarar dil kaha luta na puchhiye
Har nigah chor hai ji nam kiska lijiye

Najar najar se mil gayi juba se uff
Najar najar se mil gayi juba se uff nikal gayi
Chali jo dil ko tham kar to arzoo machal gayi
Ye kaun jadu kar gaya
Ye kaun jadu kar gaya
Ke dil gaya jigar gaya
Hum aaye the ilaz ko
Ke dard or badha gaya
Uff uff ye bekarar dil kaha luta na puchhiye
Har nigah chor hai ji nam kiska lijiye uff

Hum apne dil ko rok le majal kya
Hum apne dil ko rok le hamari kya majal hai
Kisi ko kya bataye hum jo aaj dil ka hal hai
Rat hai sabab par najar ruki hai aap par
Rat hai sabab par najar ruki hai aap par
Karengे dil ka faisla hum aapke jawab par
Uff uff ye bekarar dil kaha luta na puchhiye
Har nigah chor hai ji nam kiska lijiye uff

Jhuki jhuki nigah ne ye kya kiya
Jhuki jhuki nigah ne
Bichhake jal sham ka
Chupake chupake kar liya irada katle aam
Haye kya andher hai ye kismato ka fer hai

Haye kya andher hai ye kismato ka fer hai
Ab hamare katal me ji kahiye kitni der hai
Uff uff ye bekarar dil kaha luta na puchhiye
Har nigah chor hai ji nam kiska lijiye uff uff uff.
