

Hai shukriya ke tum mile ho humsafar ban ke
Tum se shuru hai silsile kuch naye se yeh mere

Kheksha chehra lafzoon main ujaala
Roop roop tum mere jeene ka sahara

Doobi huyi thi yeh
Mere zindagi saari
Nafrat ke hi andheron main
Thama haath tumne
Baatoon hi baatoon main
Le aaye tum ujaalon mein

Dikh raha hai allam
Nikhre huwe manzar mann ke

Tu hi hai harsu
Hai jise asmaan pe phele taare

Kheksha chehra lafzoon main ujaala
Roop roop tum mere jeene ka sahara

Doobi huyi thi yeh
Mere zindagi saari
Nafrat ke hi andheron main
Thama haath tumne
Baatoon hi baatoon main

Le aaye tum ujaalon mein

Doobi huyi thi yeh
Mere zindagi saari
Nafrat ke hi andheron main
Thama haath tumne
Baatoon hi baatoon main
Le aaye tum ujaalon mein

Main kahan se aayi yahaan
Meri jannat yehi hai
Main hun ab jahaan

Maine rab se jo bhi manga
Kisi iltejaa ko bhi
Hoyi na kabhi naa

Doobi huyi thi yeh
Mere zindagi saari
Nafrat ke hi andheron main
Thama haath tumne
Baatoon hi baatoon main
Le aaye tum ujaalon mein

Ujaalon mein....
Ujaalon mein....
Ujaalon mein....
Ujaalon mein....
Ujaalon mein....

Ujaalon mein....
Ujaalon mein....
Ujaalon mein....
Ujaalon mein....
Ujaalon mein....
