Uyarthida vazhi paarthaal
Aalam aanaal aazham aanaal
Amudhame seiyyum thaayaanaal

Kalaimagal karuvinil valarndhaalaa
Kanavugal thunayena poothaalaa
Siripudan neruppinil nadandhaala
Siragena thiramaigal serthaalaa

Thandhayin tholgalaye
Oonjalaai unarndhaalaa
Aasayaai avar azhaikka
Thogayaai asaindhaalaa

Asaiyum aval aasayai thadukka
Asaiva suvar thevayaa
Oru puyalin paadhayai marikka
Sarugugalin veliyaa

Vannam aannaal annam aanaal
Pudhu vazhiyin pooranamaai
