Vazhi paayumbodhu thee vaarunne

Sangaade katta theeru
Idhu vambethum muttan veeru
Kadha vaarunne thaarumaaru
Adi ottaage them perunne

Vetti pidikkum palavum udan neekkum
Rendu nodiyil nilai veraagum
Ketti othukkaan idaiyil kadandhaalum
Thotti thirakkum kozhukkaattin veekku

Ulagame nokku
Idi minnale kattana pokku
Onnu orasi nee nokku
Adi thadakkal idaiyumo

Visilum mel visilum
Odi padala uyarap pogudhu
Idi power da thimir da
Padagala adigal idichu pozhaicha

Ulagame nokku
Idi minnale kattana pokku
Onnu orasi nee nokku
Adi thadakkal idaiyumo

Visilum mel visilum
Odi padala uyarap pogudhu
Idi power da thimir da
Padagala adigal idichu pozhaicha

Aaraalum edhaalum maaraadha vaazhvinte
Varnangal maarum naalaayidha

Innonam peyyaadhe moodum kaar megam
Peymaari peyyum nidhaa

Nerangal kaalangal maarum
Santhoshath thaarangal minnum raavaayidha
Ullinte ullaththil pollum novellaam
Minnaalil theeyaai maarum nidhaa

Pala naal onnum aavaadhaiyaa
Inimeel paayum sulthaanaai vaa
Thadukkaan yaarum illaadhaiyaa
Varavaai thaaraa raajaa

Ulagame nokku
Idi minnale kattana pokku
Onnu orasi nee nokku
Adi thadakkal idaiyumo

Visilum mel visilum
Odi padala uyarap pogudhu
Idi power da thimir da
Padagala adigal idichu pozhaicha

Ulagame nokku
Idi minnale kattana pokku
Onnu orasi nee nokku
Adi thadakkal idaiyumo

Visilum mel visilum
Odi padala uyarap pogudhu
Idi power da thimir da
Naan naan naane
