

Ulla Olisha Uyire Lyrics

Ulla olisha uyire
Ippa piriyathiru nee
Enga manasil eluthi vachom
Aliyaathiru nee

Nenjam sorvadancha podhu
Oru thunaiyaa vandha oli nee
Kannil neer vadinchapothu
Siru thuniyaa vandha varam nee

Oh chinna nambikkai ootta
Indha ulagam sollum kadhai nee
Andha kadhaiyin veeran
Avatharichu vandha nijam nee

Makkal manasa aala
Vandhu pirandha thamizh magan nee
Ulla olisha uyire
Ippa piriyathiru nee

Neeyum kodutha sirippum
Ippo thaniyaa kedakku
Raasa amarndha simmaasanam
Thaniya kedakku

Unna paarthu ezhum koochal
Adhu thaniya ippo kedakku
Ohhh theriyaattamidum kaalgai
Adhu thaniyaa ippo kedakku

Ye unna rasicha koottam
Adhu thaniyaa ippo kedakku
Neram pugazhntha kaathum
Ada thaniyaa ippo kidakku

Annan kodutha nesam
Adhu niraivaa nenjil irukku

Ulla olisha uyire

Ippa piriyaathiru nee
Enga manasil eluthi vachom
