Nee konji konji pesaiyilae

Thinna maangani naan tharavo
Thinnai paechena maridavo
Kannakolum nee idave
Kaiyil naanunai yenthidavo

Sugam ondrall rendalla nooru thara
Oru nannal nannal unnal vilaiyumae

Ullam urugudhaiya
Onna uthu uthu paakaiyilae
Ullam urugudhaiya
Nee konji konji pesaiyilae

Kavam veesum payalae
Unainaan manadhodu maraithae
Mallanthu kidapathuvo
Avalodu poriyai yenai nee
Viralodu pisainthae
Muppothum rusipathuvo

Uchi thalaimudhal adivarai yenai izhuthae
Mutham pathida munaivathum yaenadi
Kachai avizhndhida arupathu kalaigalaiyum
Katru koduthida nirainthidum poomadi

Kalithogaiyai iruppen naane
Kalaimaanae karam saeradi

Vanga kadalenum
Sanga thamizhinil
Moozhgadi

Ullam urugudhaiya
Onna uthu uthu paakaiyilae
Ullam urugudhaiya
Nee konji konji pesaiyilae
