

Bebasi ye mera hale kar dekh to le
Khada hu der se ummidwar dekh to le
Khada hu der se ummidwar dekh to le

Fiza ne lut liya
Fiza ne lut liya

Dil ki aarzu ka chaman
Kaha hai aye meri khoi bahar
Dehk to le
Kaha hai aye meri khoi bahar
Dehk to le
Khada hu der se ummidwar dekh to le

Basir hai tere mahlo ki char diwari
Na aa sake to na ek bar dekh to le
Na aa sake to na ek bar dekh to le
Khada hu der se ummidwar dekh to le

Pahar karib hai or
Shama bujhne wali hai
Tadap raha hai tera bekarar
Dehk to le
Tadap raha hai tera bekarar
Dehk to le
Khada hu der se ummidwar dekh to le.
