

Lumr hui, tumase mile, phir bhi jaane kyo  
Aise lage jaise pahali baar mile hai  
Umr hui, baag saje, phir bhi jaane kyo  
Aise lage phool pahali baar khile hai

Rup jagaa yun, bin sanvaare  
Saajanaa, mai sanvar gai  
Rup jagaa yun, bin sanvaare

Saajanaa, mai sanvar gai

Aaj lagaa yun, aaj lagaa yun  
Motiyo se meri maang bhar gai  
kajaraa chhalake, acharaa dhalake  
Aise lage jaise pahali baar mile hai

Sag tumhaaraa, meri  
Zindagi ko raas aa gayaa  
Sag tumhaaraa, meri  
Zindagi ko raas aa gayaa  
Paa ke sahaaraa, paa ke sahaaraa,  
Dur thhaa mai, apane paas aa gayaa  
Duniyaa saari, laage nyaari,  
Aise lage jaise pahali baar mile hai

Jhum uthaa tan, mann  
Me ek aisi baat aa gai  
Jhum uthaa tan, mann  
Me ek aisi baat aa gai  
Jisaki thi lagan, jisaki thi lagan  
Aaj vo milan ki raat aa gai  
Alake lahake, akhiyaan bakahe  
Aise lage jaise pahali baar mile hai.
