

# Un Aruginil Yeno Song Lyrics

---

Un aruginil yeno  
En uyirena oonjal aaduthe  
Kan imaikayil yeno  
En idhayathil kaichal thondruthe

Nee varugayil kaatru than soodanathe  
En kadhal than poo poothathe  
Thee adhu suttalume  
Un vaarthaigal kavi pottathu

Vaanavilin vannagalai  
Kaigalile thanthidava  
Megangalai pol vandhu  
En idhayam soozhnthidava

Un aruginil yeno  
En uyirena oonjal aaduthe  
Kan imaikayil yeno uyir varudugirai

Kadal alai pole neeyum nenjai arithu selgirai  
Kadhukkul theanai varkkum isaiyaga pesinai  
Nilamagal mozhiyai pola en kangal eerkirai

Unnale en vaazhkai  
Vannangal maaruthe  
Ennangal thondruthe  
Thannale en kangal  
Unnai than thedi thedi poguthe

Vaanavilin vannagalai  
Kaigalile thanthidava  
Megangalai pol vandhu  
En idhayam soozhnthidava

Un aruginil yeno  
En uyirena oonjal aaduthe  
Kan imaikayil yeno uyir varudugirai.
