Pala murai nerungiyum thayanginen veene

Unnai vida enakku ulagam yethada
Pudhu mozhi ketkutte nee pesum bothu da

Irukkumo irukkumo idhu kadhal uravaga
Enakkulle ketkiren kelvugal pudhidhaga
Irukkumo irukkumo idhu kadhal uravaga
Enakkulle ketkiren kelvugal pudhidhaga

Natpil malarum kadhal, azhaga da
Neyyum irunthal ulagam, siraga da
Kadhal solla enakkum, bayamada
Bayamada...

Yaakkai enathu kadhal, unnathu
Pookkum idhayam neeye, kandathu
Megam enathu kaatril, vanthathu
Ennai asaikka thaano vanthathu

Thedal illa nilam neeyeda
Tharugira thulikkum neeyeda
Imaikkum imaiyum adhu neeyeda
Neethan endrum endrum ennathada

Irukkumo irukkumo idhu kadhal uravaga
Enakkulle ketkiren kelvugal pudhidhaga
Irukkumo irukkumo idhu kadhal uravaga
Enakkulle ketkiren kelvugal pudhidhaga.
