

Unbending Lyrics

Ho tu fikar kari naa hath ambra nu paune main
Rangli duniya nu nit nave ne rang dikhaune main

Haunsla sikander de warga je hove
Baaji sir thad di lagon wala chahida

Dariawan nu vi lag jan ban meri jane
Nibh jan yaariyan nibhon wala chahida
Apne asoola to na hille banda inch vi
Jhuk jandi duniya jhukaun wala chahida

Dariawan nu vi lag jan ban meri jane
Nibh jan yaariyan nibhon wala chahida
Apne asoola to na hille banda inch vi
Jhuk jandi duniya jhukaun wala chahida

Apne patta de vich chahida e dum
Hor ni kise da koi bojh chukda

Kina chir kisse nu koi dab ke rakhu
Na hunda kagza nal agg da bhambad lukda
Kand qileya di paar peepal bahr aundi e ni
Marda nu kithe gumnami raas aundi ae

Jehde dabde kise nu oho labhe na thionde
Bas ghuri koi wat ke dikhaun wala chahida

Dariawan nu vi lag jan ban meri jane
Nibh jan yaariyan nibhon wala chahida
Apne asoola to na hille banda inch vi
Jhuk jandi duniya jhukaun wala chahida

Dariawan nu vi lag jan ban meri jane
Nibh jan yaariyan nibhon wala chahida
