---

Ho koi soch vich kink naa  
Baahan full ink naa  
Wanna be koi yaar ni  
O vaade lip sync naa

Soch vich kink naa  
Baahan full ink naa  
Wanna be koi yaar ni  
O vaade lip sync naa

Khopdi ch bad vibe naa  
Laake haye karidi aa sohniye

Vairi marne nu thaa labhde  
Assi buy karidi aa sohniye  
Vairi marne nu thaa labhde

O rehndi shade laal akh te  
Ni sui teri shaq te  
Gussa rakhe chatto pair  
Mountain je nakk te

Yaar jamdoot poore  
Scene poora killi ae ni

Wings grill ae ni  
Jo jo muho kadheya si  
Hatthi kitta filly ae

Touch down canada  
Mai hona september nu  
Kasar ni chhadni  
Mai show'an te tabahi ch

Ajj kal kalakaar likhat'an ton haule aa  
Ni sidhi gall aakha koi gol naa golayi ch

Potential zehar ae attential vair ae  
Mundabaaz young'an di te likhat'an ton kehar ae  
Jannat di sair teri dil mera shehar ae  
Ni kaali zindagi ch tere naa dupehar ae

Kaud khan gijj gaye naa sulah maari juicly  
Skill strong kaisi legacy aa moose di  
Lauren de wangu bas marathon jaari rakhi  
Body bhavain sadd'di aa sharp nahiyo loose di

Haan low ki draco'an nu lodh ni stunt di  
Catalog check kari lodh ni guarant di  
Duniya ae chant tanhiyo badle turant ni
