Thalam enduku thadapaduthundi
Thadapadithe pora paate undi

Thalupulu moosey pani emundhi
Kittukulu thelise pemaadamundi
Chematala thadisi muddhaindi
Thadi sogasula siri sakkaga undi

Hey niga niga lade narinja buggani
Nemmaralante laadiyile
Missa missa lade mithai mukkani
Korikam ante badiyile

Unguru unguru unguru unguru
Unguru unguru unguru unguru

Hey chamaku chamkula sandamaamaamaro
Vompu sompura sundaraangiro

Unguru unguru unguru unguru
Unguru unguru unguru unguru

Hey thaluku belukula thenete egaro
Suruku thote nanu samputhandiro

Unguru unguru unguru unguru

Meesaaloda itu joosaavaa
Choosaane choosthoo unnane

Melikala merupula kaddosthundi

Cheli kulukula gili ginthayyindi

Ee gili kinnaall emayyindi
Emayyindi emayyindi
Gootlo petti daapettindi

Niga nigalaade saarangi sempani
Nimaraalante ladaayile

Misa misalaade mithaayi mukkani
Korikaarante badaayile

Unguru unguru unguru unguru
Unguru unguru unguru unguru

Hey chamaku chamkula sandamaamaamaro
Vompu sompura sundaraangiro

Unguru unguru unguru unguru
Unguru unguru unguru unguru

Hey thaluku belukula thenete egaro
Suruku thote nanu samputhandiro

Unguru unguru unguru unguru
Unguru unguru unguru unguru.
