

Unhe kho kar  
Unhi ki aarazu hai kisaliye dil ko  
Hai kaun aisaa jo  
Ab aasaan kar de meri mushkil ko  
Unhe ham jo dil se bhulaane lage  
Unhe ham jo dil se bhulaane lage  
Wo kuchh aur bhi yaad aane lage  
Wo kuchh aur bhi yaad

Na puchho, na puchho, hame kyaa huua  
Na puchho, na puchho, hame kyaa huua  
Lagi thes aansu bahaane lage  
Lagi thes aansu bahaane lage  
Wo kuchh aur bhi yaad

Jiye haay mar-mar ke ham is tarah  
Jiye haay mar-mar ke ham is tarah  
Chale na aur dagamagaane lage  
Chale na aur dagamagaane lage  
Wo kuchh aur bhi yaad

Zamaanaa huua jinako bite wo din  
Zamaanaa huua jinako bite wo din  
Ghataa ban ke aankho mein chhaane lage  
Ghataa ban ke aankho mein chhaane lage  
Wo kuchh aur bhi yaad aane lage  
Wo kuchh aur bhi yaad.
