

Unake labo pe hai khaamoshi  
Meri zubaan ijahaar kare

Unake labo pe hai khaamoshi  
Meri zubaan ijahaar kare  
Dil ko yakeen hai chup rahekar vo  
Dil ko yakeen hai chup rahekar vo  
Behad mujhase pyaar kare  
Unake labo pe hai khaamoshi  
Meri zubaan ijahaar kare

Khaamosh si ek pyaas ho tum  
Karati ho har pal tum hosh gum  
Ye cheharaa sharam se simatata huua  
Ye aanchal badan se lipatata huua  
Ye zulfo ke baadal bikharate hue  
Ye saanso ke tufaa mahakate hue  
Palapal gumasum harapal gumasum  
Aise me jaanaa teraa paas aanaa  
Mujhako kare bekaraar ho  
Unake labo pe hai khaamoshi  
Meri zubaan ijahaar kare

Maine tumhe apana hi samajha  
Kuchh bhi na socha isake siva  
Meri jaa raho tum mere rubaru  
Ye mausam kahega meri aarzoo  
Dhadakata hai ye dil tumhaare liye  
Ye kahe do hai kuchh pal hamaare lie  
Tumase ishq meri ishq saari khushiya  
Is aasamaa me saare jahaan me  
Tum ho mere aitabaar ho  
Unake labo pe hai khaamoshi  
Meri zubaan ijahaar kare  
Dil ko yakeen hai chup rahekar vo  
Dil ko yakeen hai chup rahekar vo  
Behad mujhase pyaar kare.
