

Unnodu Vaazhum Song Lyrics

Unnodu vaazhum
Intha kaalam podhum penne
Un vaasam theendum
Indha naatkal podhum kanne

Neela vaanam neeyadi
Unai neenginaal uyir yethadi

Neethane yarum illaa nenjil
Thedi vantha sontham neethane
Unnale oomai nenjam indri
Osai minnal pole aanene

Unnodu naan ennodu nee
Ondraagave uyir vaazhvome
Thayaga nee thaniyaga naan
Kannodu nee kalangamal naan

En thaayin irandaam baagam
Kanden enthan kadhal pennale
Azhage azhagin mudhale

En thevai yavum intha
Mannil kanden penne unnale
Nilave nilavin pagale

Unnale oomai nenjam indri
Osai minnal pole aanene

Thanneerile vinmeengalaai
Un kangalai naan kaankiren
Aagayam nee athikalai naan
Veettodu nee vilayada naan

Verenna vendum penne
Nenjil ulla aasai ennavo
Ulagam muzhuthum unathe

Kaineettum thooram ellam
Unnai mattum thottu kollave
Marunaal kanavum unathe

Neethane yaarum illa nenjil
Thedi vantha sontham neethane
