

Unse kahdo kanakhiyo
Se na dekhe hamko
Unse kahdo kanakhiyo
Se na dekhe hamko
Puch lo yu koi dekhe hai
To kya hota hai
Puch lo yu koi dekhe hai
To kya hota hai
Dekhe hai to kya hota hai
Wahi hota hai jo
Manjure khuda hota hai

Yu najar fer ke anjan
Bane baithe hai
Yu najar fer ke anjan
Bane baithe hai
Jaise hum gair yu
Hamse tane baithe hai
Muh pe kuch dil pe kuch
Or to kya hota hai
Or to kya hota hai
Wahi hota hai jo
Manjure khuda hota hai
Unse kah do yu
Kanakhiyo se na dekho hamko
Puch lo yu koi dekhe
To kya hota hai
Dekhe to kya hota hai
Wahi hota hai jo
Manjure khuda hota hai

Rok lo ruk sake roke se
Jo dhadkan dil ki
Rok lo ruk sake roke se
Jo dhadkan dil ki
Jan na dekhiye aji koi
Dile bismile ki
Is tarah aahe bhare
Koi to kya hota hai
Koi to kya hota hai

Manjure khuda hota hai
Wahi hota hai jo
Manjure khuda hota hai.
