

Unse pooche kya hain mohabbat
Dekhe woh kya kehte hain
Unse pooche kya hain mohabbat
Dekhe woh kya kehte hain
Har khwaahish ke do sau khwaab
Dekhe woh kya kehte hain
Unse pooche
Ha unse pooche kya hain mohabbat
Dekhe woh kya kehte hain

Har khwaahish ke do sau khwaab
Dekhe woh kya kehte hain
Unse pooche

Makhmali ret pe chal rahe hain
Armaan humare tere sahare
Subah ki os bhi chu rahe hain
Chalte sharare yeh lab tumhare
Anpadh hain kitne maussam
Bhi raste jo saare yeh bhule
Unki nazar ki gum raahein
Behkade jisko bhi chu le
Humne aaisa socha hain
Humne aaisa socha hain
Dekhe woh kya kehte hain
Unse pooche
Unse pooche kya hain mohabbat
Dekhe woh kya kehte hain
Har khwaahish ke do sau
Khwaab dekhe woh kya kehte hain
Unse pooche

Katrane dhup ki so rahi hain
Chehre pe banke zulfo se chanke
Aasman toot ke mil raha hain
Tumse aur humse haule se thamke
Unko jo chu ke gujre hain
Behti hawa ke yeh jhoke
Khushbu se milne jaayenge
Shayad yahan se yeh hoke

Humne aaisa socha hain
Humne aaisa socha hain
Dekhe woh kya kehte hain
Unse pooche
Unse pooche kya hain mohabbat
Dekhe woh kya kehte hain
Har khwaahish ke do sau
Khwaab dekhe woh kya kehte hain
Unse pooche.
