

Up Lyrics

I am so up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix
I stay up up up
Man I am up in this booth
Pade fire jab-jab better duck and then shoot

I am so up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix

I stay up up up
Man I am up in this booth
Pade fire jab-jab better duck and then shoot

Lot of motherfuckers talking boy I gave them a shush
See some talent I cant help it bhai may de deta push
May or j up in torronto smoking cali ka kush
Aur ye launde chhikte raadein pandu usi mein khush

I am the realest in the scene nothings realer than me
May out of city mera shehar mere dil mein he
May aur jokhay ghumein dunya still got cities to see
Par hum wohi kattar karachi humein nahi tameez

Trap house banein villas chhote hum itne street
Baara saal hogaye game mein koi humsa nahi dheet
Mera rap game pe ho jese sinatra effect
Urdu rap ka may baap karlo nadra mein check
Lets go

Up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix
I stay up up up
Man I am up in this booth
Pade fire jab-jab better duck and then shoot

I am so up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix
I stay up up up
Man I am up in this booth
Pade fire jab-jab better duck and then shoot

Subha uthte the hum
Sirf gaaliyon ke shor se
Ab neend he nahi aati raat-raat bhar
Humein taaliyon ke shor se

Is shehar ki sarkein jaanein mujhe
Meri gaadiyon ke shor se
Dil sarsabz rehne laga hai
Ab maaliyon ki chor se

Toh no new friends no yaar baili na he taabedar
Chand log purane wohi hain gawah wohi daavedar
I walk in the room tere jese bahar
Chand labb hoke aye piyein talabgaar
Ek minute aaya mic pe aur paise bahar
Ye shoq tha janoon ab kaarobar

Sunta hu zara meri bala se kya dilaase
Kitna real hu rap game se puch jaake talha se
Ye bars meri asmani aati seedhi khala se
Mujhe hara de dunya shohrat se
Mujhe hara nahi sakti qala se

Up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix
I stay up up up
Man I am up in this booth
Pade fire jab-jab better duck and then shoot

I am so up up up
Man I am up in this bitch
Now its trucks big bucks and I am stuck in the mix
I stay up up up

Man I am up in this booth
Pade fire jab-jab better duck and then shoot
