

Urvashi Song Lyrics

Kapdon pe likha amiri
Life meri wallah habibi
Oh meri banna chahti hai biwi
Urvashi take it easy
Urvashi take it easy
Urvashi take it easy
Urvashi take it easy
Urvashi take it easy

Kayezala kayezala
Patola ye bambai wala
Jab kamar ko tune uchaala
Smooth si lage bala
Nazar hai tikhi batein hai sugar
Badan hai garam masala
Mere mittar ne pehni jo eyes
Poore ek khoke ki mala

Rawas ae door se dekho bas aafat ae
Greece se aakar banayi moortikaar ne aisi banavat ae
Aise trasha sangmarmar ko na ko na kayamat ae
Haath lagane se ho jaati maili jovan ko rakha salamat ae

Stan aur ikka hai beat pe toh yeh urvashi naache gi
Poori raat nachalo ek pal ni haanfe gi
Maal manali ka foonke ek baar ni khanse gi
Nazar ae andar ka jaal jispe bhi dala woh banda fansa legi

Urvashi calling me daily
Woh kisko bhi bhaav nahi deti
Urvashi take it easy

Look maine bola i like you
Usne boleya i love you
You baby i don't trust you
Khud ko bolo stand by thank you
Main habibi bna tha zindagi
Uske chakkar mein karlu main khudkushi
Mere ko aadat ni bolne ki uddne ki
Mere ko malum hai urvashi

Uski dost bhi bolti mereko pasnd hai stan
Main sab bina karta cheeje lekin karti wo blam
Main nai katti deta pappi ede mere fans
Main nai pita daru lekin harami main

Main bina vajah karne laga pyar
Teri family bhi sunte mere gane
Mere ko ikka bhai ne bole stani jande de
Nai to sabko maloom main dalda harale
Mere kambal me lagele chpar
Mere shooter ko maloom tu kha pe
Usko chhoda main ban gaya shoter
Ever the main shoot up laga ke
