

Us chand se pyaare chand ho tum
Aakash pe jo muskaata hai
Us chand se pyaare chand ho tum
Aakash pe jo muskaata hai
Us chand se

Gar chand hoon main
Tum sooraj ho
Tum jyoti arpan karte ho
Ek dukhyaari ke jeewan ka
Ek dukhyaari ke jeewan ka
Man aashaaon se bharte ho
Ehsaan se man ghabraata hai
Uss chand se

Wo neel gagan par hansta hai
Tu dharti par muskaati hai
Us chand. Us chand
Us chand ki mere chand se jab
Aankh kahin lad jaati hai
Wo o o wo baadal mein chhup jaata hai

Us chand se

Apne charnon ki daasi ka
Kyun itna maan badhaate ho
Ek be par be bas panchhi ko
Ek be par be bas panchhi ko
Aakash ki sair karaate ho, is baat
Is baat se man dar jaata hai
Us chand se pyaare chand ho tum
Aakash pe jo muskaata hai
Us chand se.
