

Us kashti ka kya hoga
Jise majhi chhod gaya
Pataware tod gaya
Jise majhi chhod gaya
Pataware tod gaya

Desh ko ate hain paradesi log
Bichhadate hain milate hain
Aate jate hain ye mausam bag
Ujadate hain phir khilate hain
Us gulashan ka kya hoga
Jise mali chhod gaya
Sab kaliya tod gaya
Us kashti ka kya hoga

Mit jati hain koi umag to
Yaad kise phir vo aati hain
Kat jati hain koi patag
Vo jis dharati pe gir jati hain

Us birahan ka kya hoga
Jise sajan chhod gaya
Sab vade tod gaya
Us kashti ka kya hoga

Bhule se bhi naam na lena in
Kasamo ka un vado ka
Maine dekha hain kitano ko
Matam karate in yado ka
Un logo ka kya hoga
Jinhe koi chhod gaya
Sab rishte tod gaya
Us kashti ka kya hoga.
