

Us Song Lyrics

Ae yo, the kidd!

No walkin away na na
And givin up a way there to fight
No walkin away na na
You and i in this full life

Main thodi tez aa oh thoda bhola
Life katthe aa bitauni sadda goal aa
Hunde lekhan ch ni wise munde sabde
I'm glad ki jatt mera kol aa

Main thodi tez aa te oho bhola
Life katthe aa bitauni sadda goal aa
Hunde lekhan ch ni wise munde sabde
I'm glad ki jatt mera kol aa

Main chup karaan na te oh ni bolda
Kade kade meri gall vi ni gaurda
Sau kardi taan ek massan chakda
Ghatt dinda ae jawaab meri call da

Main thodi sweet aa te oho rude aa
Gall kare ya na kare ohda mood aa
Mainu pata aa main ohnu thik karlu
Jatti hauslein ch paindi oh god aa

There is nothin' to about it
I can stab it
You got me outta my mind
And lotta park it
Oh you're the king
You think i'm the one
But the things that you done
Better make it up to me
Because i am mad

Still i love you till my last day
So baby please don't make me wait in vain

From my strength now but you're my weakness
Still i'm glad that you came my way

Nehde dil de wakt milde
Lok suneya tahion kadar karaan
Kadi taan aawega samjhawega gal lawega
Tahion sabar karaan

Tere wargi tu ae aakhda
Duniya bhatheri phirdi
Oh tere jehi ae par tu ni
Tahion tere magar phiraan
Ve tahion tere magar phiraan

Yeah i'm thug it
I bought the everything in our way
You won it, you got the anything for you bae
I'm the roast you're the gun
Get the ring i'm the one
Ain't no one better for you
You know i'm bad

They say we're crazy we'll never make it
But they don't know us
There's no you if there's no me
Ain't no faking this we got that energy
I want you close to me yeah

Main thodi hot aa oh thoda cool aa
Ladd paini aa dimaag mera fool aa
Ni oh karda believe respect ch
Munda sochni ton jamma old school aa

Main thodi soft aa oh thoda hard aa
Rehnda khijhda hi karda na laad aa
Dinda dekhan kise nu mere wal na
Injh kare jeon behave mera guard aa

Main thodi aam aa oh mashhoor aa
Par bhora vi na karda guroor aa
Chakkan hor na guarantee moose wale di

Bas kudiyan te nasheya ton door aa

Ni bas kudiyan te nasheyan ton door aa
Kudiyan te nasheyan ton door aa

No walkin away na na
And givin up a way there to fight
No walkin away na na
