

Us mod se shuru
Kare phir ye zindagi
Us mod se shuru
Kare phir ye zindagi
Har shay jaha hasin thi
Hum tum the ajnabi
Us mod se shuru
Kare phir ye zindagi

Lekar chale the hum jinhe
Jannat ke khwaab the
Phoolo ke khwaab the wo
Mohabbat ke khwaab the
Lekin kahan hai unmein
Wo pehle si dilkashi
Us mod se shuru
Kare phir ye zindagi

Rehte the hum hasin
Khayaalon ki bhid me
Uljhe huye hai aaj
Sawaalon ki bhid me
Aane lagi hai yaad
Wo fursat ki har ghadi
Us mod se shuru
Kare phir ye zindagi

Shaayad ye waqt humse
Koi chaal chal gaya
Rishta wafa ka aur hi
Rangon mein dhal gaya
Ashkon ki chandini se
Thi behtar wo dhoop hi
Us mod se shuru
Kare phir ye zindagi.
