

Us mod se shuru kare
Phir ye zindagi
Us mod se shuru kare
Phir ye zindagi
Har shay jaha haseen thi,
Hum tum the ajnabi
Us mod se shuru kare
Phir ye zindagi

Lekar chale the hum
Jinhe jannat ke khwaab the
Phoolo ke khwab the wo
Mohabbat ke khwab the
Lekin kaha hai un mein
Wo pehle see dilkashi
Us mod se shuru kare
Phir ye zindagi

Rehte the hum haseen
Khayaalo ki bheed mein
Uljhe huye hain aaj
Sawaalon ki bheed mein
Aane lagi hai yaad
Wo fursat ki har ghadi
Us mod se shuru kare
Phir ye zindagi

Shaayad ye waqt
Humse koi chal chal gaya
Rishta wafa ka aur hi

Rangon mein dhal gaya
Ashko ki chandini se
Thee behtar wo dhup hi
Us mod se shuru kare
Phir ye zindagi.
