

Uss paar hai meri jaan  
Uss paar hai meri jaan  
Iss paar bas jism hai  
Koi yeh bata de mai  
Kaha hu mai kaha hu  
Uss paar hai meri jaan  
Uss paar hai meri jaan  
Iss paar bas jism hai  
Koi yeh bata de  
Mai kaha hu mai kaha hu

Chaar diwaaro ki ghutan se  
Ji chhuda kar mai yeh kahu  
Lab sile hai kaise kahu  
Dil me mere bas too hi too  
Koi yeh bata de  
Mai kaha hu mai kaha hu

Saat rango ke safar me  
Haath teraa yu thaam kar  
Titali bankar mai udu  
Zamin par paanv rakhane se daru  
Too hi yeh bata de  
Mai kya karu kaise kahu  
Uss paar hai meri jaan  
Uss paar hai meri jaan  
Iss paar bas jism hai  
Koi yeh bata de  
Mai kaha hu mai kaha hu  
Mai kaha hu mai kaha hu.
