Us raat ki subah na hone du  
Jis raat mein dilbar saath rahe  
Mera dil ye duaaye mang raha  
Mera dil ye duaaye mang raha  
Wo raat hamesha rat rahe  
Us raat ki subah na hone du

Suraj aur chand ke chehre pe  
Suraj aur chand ke chehre pe  
Main apna aachal faila du  
Aur rok lu waqt ki dhadkan ko  
Har taraf andhere bikhra du  
Us kali raat ke parde mein  
Us kali raat ke parde mein  
Parde ki na koi baat rahe  
Mera dil ye duaaye mang raha  
Wo raat hamesha raat rahe  
Us raat ki subah na hone du

Main dub ke unki aankho mein  
Mai dub ke unki aankho mein  
Wo pahli mohabbat mangungi  
Sab kuch apna dekar unko  
Ik raat ki jannat mangungi  
Mai pyar mukamal kar lungi  
Mai pyar mukamal kar lungi  
Mere bas mein agar halat rahe  
Mera dil ye duaaye mang raha  
Wo raat hamesha raat rahe  
Us raat ki subah na hone du.
