Kalalaa unnaa kaalaalalonaaa

Sahavaasam kudhirenaa
Tanathote nadichaanaa
Chirumayallo nenu muniganaa

Usure usure venake thirige
Ikapai neeedhe naa
Usure usure venake thirige
Ikapai needhe naa

Avasaramaa sakshyaloo
Mana premanteyy saage kahte
Prati kshanamu paadanaa
Mana premanantey saage nade

Nuvvu naa kotha lokkam
Nee daachaanu praanam
Ee janmanthaa needhenule

Usure usure venake thirige
Ikapai needhenaa
Usure usure venake thirige
Ikapai needhe naa
