

Uthao jaam chalo
Dono saath saath piye
Uthao jaam chalo
Dono saath saath piye
Tamaam raat piye
Tamaam raat piye
Uthao jaam chalo
Dono saath saath piye
Dono saath saath piye

Koi khayal koi fikra
Koi gam na karo
Tum apni sokh jawani pe
Yun na sitam karo
Berukhi chhod bhi do
Taub ko tod bhi do

Uthao jaam chalo
Dono saath saath piye
Dono saath saath piye

Abhi to raat ke chahere pe
Noor aaya hai
Abhi to aankho mein
Halka suroor aaya hai
Itne madhos na ho
Itne khamosh na ho
Uthao jaam chalo
Dono saath saath piye
Dono saath saath piye

Idhar saraab udhar mad bhari
Nazar ka nasha
Mile jo dono to ho jaaye
Umra bhar ka nasha
Daur par daur chale
Aa jara aur chale
Uthao jaam chalo
Dono saath saath piye
Tamaam raat piye

Tamaam raat piye
Uthao jaam chalo
