

Pyar hi se pyar ki  
Kismat bana li jaayegi  
Tum ye mat samjo  
Meri fariyaad khali jaayegi

Uthegi tumhaari  
Nazar dhire dhire  
Uthegi tumhaari  
Nazar dhire dhire  
Uthegi tumhaari  
Nazar dhire dhire  
Muhabbat karegi  
Asar dhire dhire  
Muhabbat karegi  
Asar dhire dhire

Ye mana khalish  
Hai abhi halki halki  
Ye mana khalish  
Hai abhi halki halki  
Khabar bhi nahi hai tum  
Ko mere dard e dil ki  
Mere dard e dil ki  
Kahabar ho rahegi  
Magar dhire dhire  
Uthegi tumhaari  
Nazar dhire dhire  
Muhabbat karegi  
Asar dhire dhire

Milegaa jo koi hasi  
Chupake chupake  
Milegaa jo koi hasi  
Chupake chupake  
Meri yaad aa jaayegi  
Wahi chupake chupake  
Wahi chupake chupake  
Satayega dard e jigar  
Dhire dhire

Uthegi tumhaari  
Nazar dhire dhire  
Muhabbat karegi  
Asar dhire dhire

Sulagate hai kab se  
Isi chaah me hum  
Sulagate hai kab se  
Isi chaah me hum  
Pade hai nigaahe daale  
Isi raah me hum  
Isi raah me hum  
Ki aaoge tum bhi  
Idhar dhire dhire  
Uthegi tumhaari  
Nazar dhire dhire  
Muhabbat karegi  
Asar dhire dhire.
