---

Uthradam muttathe chithrangal theerkumbol  
Kandu njan ninney  
Nritham vacha thritha poov pole  
Aththa poov mutham vacha pole

Hey azhake neenthi vanna nilave  
Nee varave onamanu dhiname  
Thodiyilum vazhiyilum  
Manassilum madhuramay

Adimasa kadu keru varavanallo  
Avanikkyu dhavanikkyu nirachelallo  
Ezhu nira kammalittu cheviyattunne  
Onaminiyanu thara mizhiye

Kanavazhiyil  
Kaliyodamay  
Karalodiyo akale

Koombala kudathil theanundu varunne  
Iru poombatta nammal  
Oonjalil uyarnne thulli thumbi uranje  
Oro nalilay

Mukkutti kurunnani chirikalode  
Machinte arayude janaliloode
