

Ehsaas ko ek naya rang mil gaya  
Iss dil ko ek naya sang mil gaya  
Iss rang ko iss sang ko  
Naam mohabbat mil gaya  
Uuf kya jaadoo mohabbat hai  
Uuf kya jaadoo mohabbat hai

Tum paas ho par milo se  
Fasle kyu lagte hai  
Dil ne to apna mana tumhe  
Lab kuch kehne se darte hai  
Har ek ada ko tumhari sanam  
Bade pyar se dekhe hai hum  
Uuf kya jaadoo mohabbat hai  
Uuf kya jaadoo

Aawaz jo mere dil ne dee  
Tumhare bhi dil ne suni hai kya  
Jo baat mere dil ko lagi  
Tumhare bhi dil ko lagi hai kya  
Aisa hi kuch hua hai agar  
Yeh pehli mohabbat ka hai asar  
Uuf kya jaadoo  
Uuf kya jaadoo

Khud ke alava ek gair pe  
Humko yakin kyu aane laga  
Apne saher se uska nagar  
Itna hume kyu bhane laga  
Dil ka kamal yeh khila kahi  
Dil ka kamal yeh khila kahi  
Par yeh nikhar na jaane kya  
Uuf kya jaadoo mohabbat hai  
Uuf kya jaadoo mohabbat hai  
Uuf kya jaadoo mohabbat hai.
