

Uyir Koottula Lyrics

Uyir koottula vaazhura
Nee en kaadhal chittukkuruvi
Vaazhkkaiye neethaanadi
Maarbil paanji kottum aruvi

Vizhi urutti orathil paarkkaiyila
Enna surutti veesiriye
Uyir puratti podura un sirippil
Idhayam katti aalura

Azhage
Nee vaikkum nethi pottu
Naanaaga ottikittu
Un kannu naduvula
Vaazhven thookam kettu

Koondhalil soodikkolla
Thoattathil nee parikkum
Poovukkul naa irudthu
Unna naan parippen

lyrics

Unna meeri kannil vera kaatchi illa
Ulagame un mugam dhaanadi
Thudukku pechila saachitta
Innum naan ezhumbalaye

Nee sindhum vetkam
Korthadhil naalum vaanavil vadippene
En uyire
Or nodi pirivilum kollaama
Kooda vaazhndhidu kogilamae

Nee vaikkum nethi pottu
Naanaaga ottikittu
Un kannu naduvula
Vaazhven thookam kettu

Koondhalil soodikkolla
Thoattathil nee parikkum

Poovukkul naa irudthu
Unna naan parippen

Uyir koottula vaazhura
Nee en kaadhal chittukkuruvi
Vaazhkkaiye neethaanadi
Maarbil paanji kottum aruvi
